

Attendance Policy

1. Aims

The Henslow and Evolution School aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every learner has access to full-time education to which they are entitled
- Acting early to address patterns of concerning absence
- Building strong relationships with families to ensure pupils have the support in place to attend school

We will also support parents, carers, social workers and guardians to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons. Many of our learners have experienced difficulties with school attendance in the past and may need considerable support to develop good attendance.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the [Children's Commissioner Guidance for parents on school attendance](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Learner Registration\) \(England\) Regulations 2006](#)
- [The Education \(Learner Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Learner Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Learner Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Learner Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2024](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold, [Keeping Children Safe in Education](#) and [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. School procedures

3.1 Attendance register

By law, all schools (except those where all learners are boarders) are required to keep an attendance register, and all learners must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every learner is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry (editing tracks)

- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes used on the schools Information Management System, Arbor.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

Every entry in the attendance register will be preserved for at least 6 years after the date on which the entry was made.

Learners must arrive in school by 9.30am on each school day. The register for the first session will be kept open until 9.45am. The register for the second session will be taken at 1.30pm and will be kept open until 1.45pm

3.2 Unplanned absence

Parents, carers, social workers or guardians must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.45am or as soon as practically possible (see also section 6). They should do this by phoning the school reception.

Absence due to physical or mental illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents, carers, social workers or guardians to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents, carers, social workers or guardians will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

Parents/Carers are to request absence for their child prior to any appointments by calling the school administration team on 01938 739077 and emailing the Head Teacher via: admin@reflexionseducation.org.uk

However, we encourage parents, carers, social workers or guardians to make medical and dental appointments out of school hours where possible. Where this is not possible, the learner should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A learner who arrives late but before the register has closed will be marked as late, using the appropriate code.

A learner who arrives after the register has closed will be marked as absent, using the appropriate code.

If pupils are late on a regular basis initially a phone call home will be made to discuss concerns and what level of support can be provided to the family. If lateness persists a meeting will be held with both pupil and parents/carers to discuss any issues that may be causing the lateness and to agree a plan moving forward to prevent it. Once agreed the plan will be reviewed weekly to check it is effective, if issues persist then a further meeting will be arranged to agree next steps.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

The school will do this by:

- Calling the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. (If the school cannot reach any of the pupil's emergency contacts, the school will send a member of staff to the family home to make contact. In the event that contact is not made and the school has good reason to believe that there is reason for concern, then the police will be contacted.)
- Identifying whether the absence is approved or not
- Identifying the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Calling the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

3.6 Reporting to parents/carers

The school registration system on Arbor can provide a wealth of attendance information which is used to inform parents/carers about their child's attendance and absence levels. Parents/carers are provided with this information regularly and at least termly through interim school reports, pupil progress meetings and an annual school report.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as a one-off family event such as a wedding or activities required in relation to Looked After Children such as statutory visits if they cannot be accommodated in any other way.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

Valid reasons for **authorised absence** include:

- Illness (including mental health illness) and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be

travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)
- Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):
- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

4.2 Attendance legal intervention

Student absence is often a symptom of wider issues that the student or their family is experiencing and the school will always endeavour to work together with families and other local partners to provide support and remove the barriers to attendance. Where this supportive action is not successful or parents do not engage, the law provides several legal interventions to formalise attendance improvement plans and eventually if necessary prosecution.

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age. Decisions to fine parents are always made on an individual case by case basis.

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the

school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

5. Strategies for promoting attendance

Henslow and Evolution School recognises the effort that goes into maintaining a good attendance record and will celebrate attendance achievements of its learners as well as promoting the benefits of a good attendance at school.

At our school, we recognise the profound impact that complex barriers to attendance can have on our students' educational experience. It is vital that we identify and address these barriers early, as they may stem from socio-economic factors, family *issues*, or unique individual challenges. Our approach involves close collaboration with families/care teams to understand their specific circumstances, thereby enabling us to develop tailored strategies that facilitate regular attendance. For instance, through regular communication and home visits, we can nurture strong relationships with families/care teams, providing guidance on accessing local services or financial support. Additionally, we offer *flexible attendance arrangements* and mentoring support, *as part of our nurturing* environment where pupils feel safe, supported, and valued.

5.1 Supporting Students who are absent or returning to school

In cases where students are absent due to mental or physical ill health or Special Educational Needs and Disabilities (SEND), we adopt a compassionate and vigilant approach. We engage proactively with families/care teams to ensure they feel informed and supported throughout the child's absence. During this process, we work closely with healthcare professionals to coordinate additional support services that can be integrated into the school's framework. We implement necessary adjustments within the school environment, which may include differentiated learning opportunities, additional one-to-one support from trained staff, and the provision of health and wellbeing resources such as mindfulness sessions or peer support groups. For pupils with an Education, Health and Care (EHC) plan who are experiencing difficulties in attending school, we are committed to promptly informing the local authority, ensuring that their rights and needs are appropriately met through the collaborative establishment of a support plan that aligns with their individual requirements.

When students are returning to school after a lengthy or unavoidable period of absence, we prioritise their reintegration with utmost sensitivity and a holistic understanding of their experiences. We develop comprehensive re-entry plans that encompass personalised strategies tailored to ease their transition back into the academic routine. This process may involve a gradual reintroduction to the school setting, allowing students to acclimatise at their own pace, as well as companionship from peers or a designated 'buddy' to foster social connections. Furthermore, we initiate regular check-ins with students and their families/care teams, ensuring open lines of communication to monitor their progress and well-being closely. Our primary objective is to create a supportive atmosphere that empowers all students, enabling them to thrive despite any previous obstacles to attendance, thereby reinforcing our commitment to their long-term educational success.

The underlying reasons for absence and removing the barriers to attendance will be addressed by School and local partners working collaboratively in partnership with families to;

Expect

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

Monitor

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

Listen and understand

When a pattern is spotted, discuss with pupils and parents to listen to and understand

barriers to attendance and agree how all partners can work together to resolve them.

Facilitate support

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

(Adapted from Working Together to Improve Attendance – DfE August 2024)

6. Attendance monitoring

6.1 Monitoring attendance

The school administrator monitors learner absence on a daily basis, alerting the Head Teacher to any students who are not present.

Parents, carers, social workers or guardians are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

The school does not have a stated absence threshold because all absence is of concern and will be responded to in a way that is appropriate to the individual learner and their family or care environment.

Henslow and Evolution School collects attendance and absence data and may use this for internal purposes to track and monitor learners, (including punctuality) half-termly, termly and yearly across the school at an individual pupil and whole school level to monitor patterns of attendance/absence and inform future support. This data is shared termly with the proprietorial board and specific pupil information may be shared with the DfE upon request.

6.2 Analysing attendance

Here at Henslow and Evolution School we analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families.

We look at historic and emerging patterns of attendance and absence, and then develop strategies in partnership with parents/carers to address these patterns and any barriers to attendance.

6.3 Using data to improve attendance

The school will:

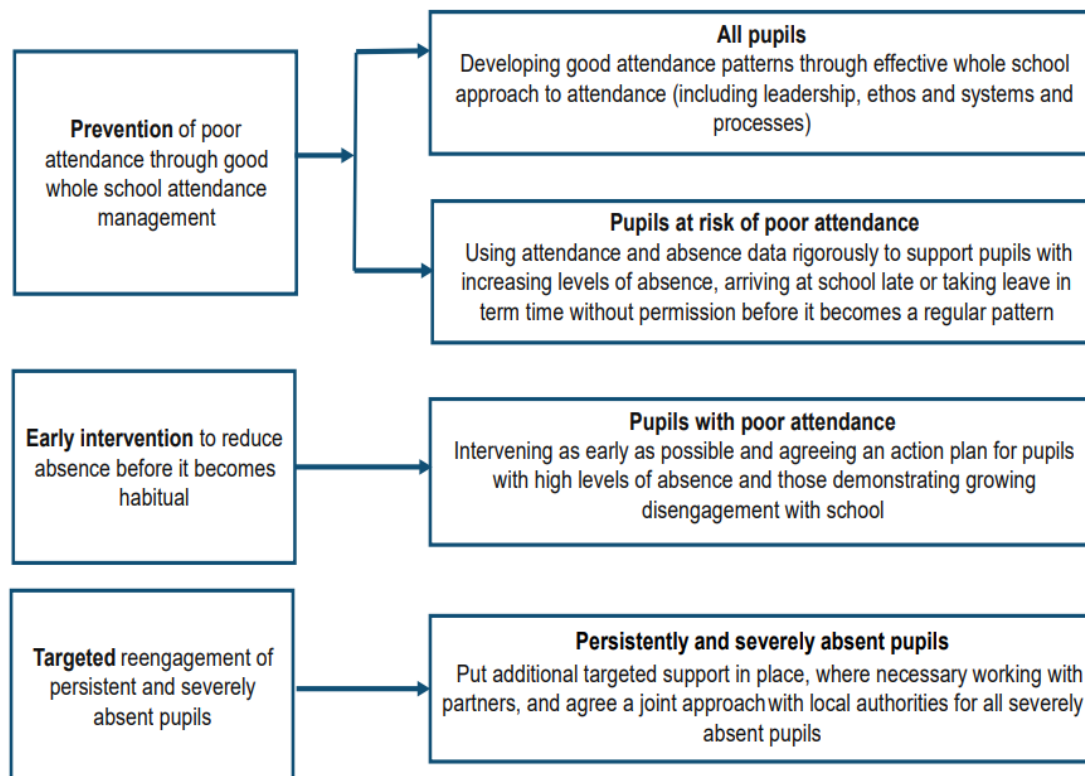

Provide regular attendance reports to form tutors, and other school leaders, to facilitate discussions with pupils and families. Data will also be used to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

As a school we will use attendance data to find patterns and trends of persistent and severe absence. When a pattern of persistent absence is spotted, the school will look to work with the family/carers to support improving attendance. The initial correspondence regarding concerns will be via a letter and a phone call home to discuss concerns. If attendance does not improve a meeting will be held with pupils (if appropriate to developmental needs) and parents/carers to help understand barriers to attendance and agree how all partners can work together to resolve them. An attendance improvement action plan with measurable outcomes will be drawn up and agreed with parents/carers and the pupil (if appropriate). Action plans will be reviewed weekly over the course of the plan, to ensure progress regarding the improvement of attendance.
